Areas of eCall to be refined Break-out sessions

Following the input from the two broad categories of:

- *What are the sticking points for eCall*
- *Areas that need to be refined*

As an initial suggestion the below topics have been identified as areas where further work is required, however this is not exhaustive

Delegates will break up into groups with a facilitator and a time limit per topic, then report back, the findings, the objective of each of the group is to define remedial measures using the categories of:

- *Ethical*
- *Legal*
- *Societal*
- *Institutional*

The topics are:

Conformity

Liability Issues

Data

All inputs will be consolidated into a report to be shared with Event Participants, Member States and the European Commission

14:00-14:45: Conformity

Martin Grzebellus, NavCert

14:45-15:30: Liability issues

Andy Rooke, ERTICO – ITS Europe

15:30-16:00: Coffee break

16:00-16:45: Data

Luca Bergonzi, Beta80 Group

16:45-17:00: Wrap-up of the day and next steps

Kevin Borrás Thinking Highways
